FEATURED INSTALL: Ragsdale Residence

Cheyenne Rustic Pine—Bourbon Pioneered Wood Flooring

This home was built as a vacation home for the CEO of *Chick-fil-A* restaurant, Mr. Ragsdale and his family. It is beautifully situated on a private lake in the mountains just outside of Andrews, NC.

Chestatee Custom Contractors president Jeff Welch sold this package with the best interior and exterior features available. Custom rock work, high-end appliances, Sikkens stain, and **Cheyenne Bourbon** wood

floors were all included in this designer's dream home. Not everyone has the resources to finish out their log home or cabin to this level of quality, but Pioneered Wood flooring has been made available by Harvest Timber Co. at better than market prices. Offer your customer the complete DREAM PACKAGE!

WEB SITE POSSIBILITIES... Explore the potential!

Some very impressive work has been done to the credit of some of our best selling customers in creating websites as sales tools for their market. We would like to thank those who have so masterfully displayed our products on their sites and encourage anyone who would like to add our products that we will fully support your effort with pictures, etc. Check out: www.welchlogs.com and www.bestlogdecor.com Thank you Jeff & Pat Welch and Gary & Georgia Kelley!
